XIII Conditions/Licence Remarks

Recreational Pilot Licence Endorsements - Limitations on exercise of

The holder is not authorised to pilot an aircraft in a Contracting State's airspace unless the holder has permission (however described) from the Contracting State to do so

Non ICAO Compliance:

Medical Certificate:

The holder must not perform a duty authorised on the licence unless the person holds a current medical certificate that is appropriate to the licence. The conditions of the holder's medical certificate must also be observed.

Photo Identification:

The licence holder must carry at all times a valid form of photo identification when exercising the privileges of the licence.

General Licence Remarks:

If the holder of this licence is maintaining proficiency in exercising the privileges of a licence, rating or endorsement, through participation in an operator's training and the checking system which has been approved for that purpose under regulation 61.040 of the CASR, the holder must carry, along with this licence, a document or documents issued by the operator as evidence of the holder's ongoing proficiency in the exercise of the privileges conferred by the rating(s)

PPL-A was granted on the basis of CAR Part 5 Licence issued 10 March 1975

Issued without erasure or correction. Any removal of printed background may indicate alterations
